CSE Girls Basketball Team - Congratulations

Congratulations to Coach Long and the CSE Girls Basketball Team on their 3rd place finish in the IHSA State Tournament. I would like to take this opportunity to thank three groups of people.

1. Thank you to both communities. The purpose of a co-op is to provide opportunities for young people. An opportunity to play. An opportunity to be a part of a "program." And an opportunity to be successful. I think it is fair to say that the Southeastern Lady Suns and the Central Lady Panthers would not have had the opportunity to play in Red Bird Arena this past weekend. But, the CSE Lady Panthers had that once-in-a-lifetime opportunity. As adults it is our job to provide our young people with as many opportunities as we can and what an opportunity it was.
2. Thank you to the players. Throughout the season, you represented both schools with class, toughness, and heart. I was so impressed with how humble and gracious you were during your post season run. I am not proud of our girls finishing third in state. I am proud of them for the way they went about finishing third in state.
3. Thank you to Coach Long. Coach Long is known for his intensity, preparation, and work ethic. But, what separates Coach Long from others is how he treats and cares about four groups of people: 1) The younger students (K-8), his former players, his players that will never directly help him on the basketball floor, and 4) Students who decide not to play for him. This is what separates him. This is what defines him. And this is why he deserved to coach at Red Bird Arena this past weekend.
