

There will be no school on Monday, September 5, 2016. We will start our regular 3:15 dismissal schedule on Tuesday, September 6, 2016.

Thank you for your patience and understanding as we get things worked out with our phone messaging system. Everything should be worked out by Tuesday, September 6, 2016. However, if you have issues, want to update contact numbers, or want to be removed from the system, please do not hesitate to contact the district office at 217-392-2172.

According to state law, every student must meet all vaccination requirements by October 15, 2016. According to state law, students who do not meet these requirements must be suspended from school. There are only two acceptable exceptions. The first acceptable exception is based on medical reason. This must be written by a healthcare provider and it is through the Illinois Department of Health. The second acceptable exception is based on a religious reason. This must be written by a healthcare provider and it is through the Illinois Department of Health (THIS IS NEW THIS YEAR). Therefore, students will be suspended from school beginning October 17, 2016 unless they have 1) provided proof of required immunizations, 2) provided written proof of medical exception through the IDPH, or 3) provided written proof of religious exception through the IDPH.
