

Administrator's Report

Southeastern District #337
Board of Education Meeting

July 23, 2012

Mrs. Akers' Report:

- E-Rate – We have received approval for \$24,063.13 in telecommunications discounts for FY13. The discount level is 80%. Pre-discount costs would be \$30,078.90. The cost to the district will be \$6,015.77 for internet access, cellular and landline phones, domain registration, website and email hosting. E-rate discounts are based upon FRL numbers and require CIPA compliance which requires an approved tech plan, AUP and filtering).
- Pre-K grant funding – We have received notification of funding for the Pre-K grant at a reduced level. An across-the-board reduction of 8% has been applied to Pre-K grants. This brings our funding level to \$93,968. (Down from \$102,184)
