

# Administrator's Report

Southeastern District #337  
Board of Education Meeting

June 25, 2012

## Mrs. Akers' Report:

- On June 21, twenty elementary teachers began aligning the ELA Common Core Standards. It was a very productive day. There are plans to continue this work during SIP days during the 2012-13 school year.
- I will be attending a workshop on July 10<sup>th</sup> on Google Apps and Cloud Storage. This is an alternative to use of Microsoft Office products and could make it possible for students to have access to the same productivity software at home and at school.
