- All Southeastern Freshmen will be participating in CPR training sponsored by the Hancock County EMS. All students will go through the training and have the option of becoming certified if they choose to pay the \$19 fee. We are looking at Oct 17 and 18 for the training.
- We currently have eleven different colleges/universities scheduled to come to our campus for "lunch visits". This is for any Junior or Senior interested in getting more information about the schools. We typically have 15-20 students take advantage of these opportunities.
- Seventeen Southeastern Juniors and Seniors are enrolled in the Quincy Vocational Program. Courses that these students are enrolled in include Auto Tech, Commercial Foods, Health Occupations, and Welding. The classes are held on Wednesdays from 2:30 pm – 6:30 pm.
