Summer Reading

Governor Pat Quinn, Secretary of State Jesse White and State Superintendent of Education Christopher A. Koch are urging educators and families to help students retain and develop academic skills by reading during summer vacation. The free online "Find a Book" utility at www.lexile.com/findabook provides a way for parents and children to quickly and easily search books that match a child's reading level and interests as well as to locate the local library carrying each title.

It is important all physical, dental, and immunization requirements are met, and we have proper documentation <u>prior to the start of school – August 21</u>. According to the Illinois State Code, if a child does not present proof of health examination and immunizations <u>by October 15th</u> of a year in which such proof is required, the school district is required to suspend the child from school.
