

Has your child outgrown their winter coat?

Do you have gently used coats that no one wears?

Need an excuse to buy that new coat you like?

If so, consider donating your gently used coats to the
Bedford Community Christmas Station.

The Bedford Community Christmas Station offers donated, gently used coats to families for free, when they apply for Christmas assistance, or when requested. All sizes can be used but children's coats are in high demand. Coats may be donated Tuesdays or Wednesdays between 10 am and 4 pm at the Bedford Community Christmas Station (510 Blue Ridge Ave. Bedford, VA) or your local school.
