

Bayard Staff Listen and Learn

Safety

- Black widows have continued to reappear after all efforts to get rid of them
- Counselor for each school
- Social worker at each school
- Library work order to move shelves due to unsafe visibility
- SMS need to have security doors
- Student desks and chairs are in poor condition

Nutrition

- Portion inconsistent (what are portion guidelines for pre-k and up?)
- Most lunches are not balanced (too many carbs)
- Appreciating salads (why not have a whole egg?)

K-5+ ELTP

- Correct contracts prior to start
- Pre k-5+ ELTP in one lump sum after fulfillment
- No other professions would do this to their employees

Training

- More MLSS training?
- Training for Nurses
- LAPTOPS for EA's to check email and participate in TRAININGS

SPED/SAT

- Can the district have a SAT coordinator to support schools?
- SPED consistency with coverage due to all of the high needs
- Amount of time it takes to get students tested
- Playground equipment for handicap students
- Behavior with high needs

Curriculum

- Need Science ASR
- Do we have science kits until new adoption
- Lack of language arts resources reding horizons is not a complete program
- Structured literacy program needed for grades 4 and 5.
- Have all programs up and running
