Essex High School

Tardy Policy

The start of 1st period is 8:10 a.m. (sharp).

All students are expected to be in class ready to receive instruction at this time.

The building is open to students at 7:45 a.m. (Commons Doors).

If students are not in their classes by 8:10 a.m., they must report to the front office desk to receive a tardy pass.

Because instructional time is critically important to academic achievement, students who are excessively tardy will receive disciplinary support.
