Presents...

COMMUNITY EDUCATION SUMMER 2022

Exciting News! Read All About It!!

Horseshoe Bend Community School is happy to announce the addition of Community Ed Courses! For the first time ever, HSB CS will offer a range of activities and courses that are free to any Horseshoe Bend resident. Non-residents are welcome to join but priority will be given to local residents first. The purpose of these activities is to provide safe and constructive activities for our community members. The continuation of these activities will depend on the dedication and commitment of our instructors, how well they are attended, and ongoing funding. We highly encourage you to look through the course offerings and sign up for any you are interested in!

If you are interested in becoming an instructor or if you have a course you would like to see offered, please reach out!
