Adoption Schedule and Process

The Horseshoe Bend School District will review evidence-based practices and instructional materials aligned to current standards and will follow the Idaho State Department of Education Adoption Schedule for Curricular Materials as closely as circumstances allow.

Adoption Schedule (based on state adoption schedule)

Adoption School Year	Content Area
2019-20	Health
2020-21	Career and Technical Education Computer Applications/Science Science
2021-22	Mathematics
2022-23	Physical Education Arts/Humanities Social Studies
2023-24	English Language Arts

Adoption Process

Step 1: August – December

- Curriculum team formed
 - Vertical and horizontal representation
- Review state standards for changes
 - Receive training if needed
- Review current district curriculum and relevant data
- Research and review new curriculum options
 - Independent research organizations such as EdReports should be used
 - Verify research studies provided by publishers are unbiased

Step 2: January – March

- Select materials and conduct field/pilot testing
- Recommend curricular materials to be adopted to Superintendent

Step 3: April – June

- Adopted material presented to school board and purchased
- Receive training on new curriculum
