

**Assignments lose 10% each day they are late.**

**Grades are entered frequently and can be accessed at [www.hsbschools.org](http://www.hsbschools.org)  
go to the drop down menu "resources and links"  
click on "lumen parent portal"**

## **Materials**

**Bring your sketchbook and a pencil or pen to write with every day.**

**Occasionally students will purchase their own specialty items to use in their artwork. If a student needs a specific material for a choice project, they may be asked to provide it themselves. I try to provide all materials, but Art is a big world and it is unrealistic for the school to have every item on hand.**
