

HORSESHOE BEND HIGH SCHOOL

Senior Portfolio Requirements

1. **Learning Artifacts**
 - a. Learning artifacts are assignments that a student may not have necessarily done well on, but provided the student with a learning opportunity. Students will need to reflect on the process of the assignment and what they learned about themselves through its completion. Students will write short reflection papers on each artifact (approx. 1 page per artifact) in the Senior Project class.
 - b. Each teacher has a list of recommended assignments to choose from. Students can have diverse assignments or may choose assignments from one class as long as the assignments support their learning process and/or college/career trajectory.
2. **Community Service**
 - a. Students must complete 20 hours of community service. Students are highly encouraged to take photos of their service as well as have the hours documented by an adult. Community service may not be “working for free” at an established job. Service must be independent of family.
3. **Resume and Cover Letter**
 - a. Completed in the Senior Project class, spring of senior year
