RE: LVP-Cramton Campus

Parents and Staff --

We received news a staff member is positive or probable for COVID-19. The individual was present at LVP-Cramton Campus on the following dates:

January 24-25

District officials, in coordination with the Lapeer County Health Department (LCHD), have identified students and staff who have been within six feet (three feet if masked) for more than 15 minutes with the individual. **Those individuals have been contacted in accordance with our health and safety guidelines.**

The District will continue to cooperate with LCHD to assist in contact tracing and notification if there are additional positive school-associated cases.

We ask that all parents check students for symptoms daily prior to sending them to school. Any student or staff member exhibiting symptoms of COVID-19 should stay home. *COVID-19 symptoms include fever, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.*

Visit the District website and click on the COVID-19 Reporting graphic for more information regarding COVID-19 safety protocols and up-to-date case information.

Regards,

Matt Wandrie  
Superintendent  
Lapeer Community Schools
