DID YOU KNOW?

Many other national, state and university scholarships are available. In fact, the majority of scholarship money awarded will come from the college/university/tech school you will attend. You will need to seek these scholarships personally. Once you have been granted admission to a college, you should contact the Financial Aid Office (and go online to search) for a list of scholarships available to you. You can also find many other scholarships through online searches. Check out www.salliemae.com or www.fastweb.com or www.zinch.com. The LHS Counseling Communicator provides a brief reference of other sites to visit during your scholarship search.
