

## Instrument Information

Goal: Create a five-minute presentation about the trumpet or clarinet.

### Process

You will use the links provided by Mr. Barnhart to find a brief history of the Bb Trumpet or Bb Clarinet. There is also links about popular songs for each instrument. I also selected a player of each instrument and you will need to discuss his history and how each came to play the Bb Trumpet or Bb Clarinet. You can also list some of the popular songs they played over the years. You will need a person to organize the format of your presentation, a note taker, everyone will research and present. You can use PowerPoint to create your presentation. Have fun learning about these instruments and players. If you find something unique in your research, please share that with the class.

### Groups

Griffin and Emma Emma is leader

Spencer, Branton, and Ka'Mara Branton is leader

I know Spencer plays percussion, but I wanted him to be part of a group.

Presentations will start at 2:00pm on Monday January 17<sup>th</sup>.
