

## 68 Vocal Cooperative Song Creation

Goal create one verse and a chorus of a song.

### Process

Students will work in groups to write a verse and a chorus of a song. Students can use the following topics A song about school. A song about a favorite food. A song about a favorite sport. All songs need to be school appropriate. You can use one group member's iPad to record your ideas and develop your piece. I would recommend writing lyrics and then putting music to those lyrics. The final piece will be performed acapella. I have done this in the past and the best songs were something funny or silly. Have fun creating your piece

### Groups (Leader is listed first)

Halle            Emily            Evangeline    Ka'Mara

Leighton       Keelan           Jackson        Kylin

Brayden        Abigail           Dakota          Jett

Two key roles you will need are the person writing down the lyrics and the person whose iPad you use to record your ideas. Everyone can share their ideas and everyone needs to listen to everyone's ideas.

All songs will be performed on Tuesday January 25th
