

## B-Team Boys Finish Season By Judy Rogers

The Golden Plains Middle School B-Team boys finished their basketball season last Thursday in the opening rounds of the WKLL tournament in Brewster. The boys played hard having shown a great deal of improvement this season, but lost by one point.

The B-team played early in the morning against the Triplains/Brewster Titans. They couldn't quite get anything to fall in the first quarter as the Titans slipped ahead 4-0. The Bulldogs came back in the second to outscore the Titans 6-2 and tie the game up at half time. The Bulldogs led 10-8 at the end of the third, but with both teams shooting multiple free throws, the Titans made one more for the 13-12 win.

Dylan Spresser and Colby Lathrop each made 4 points for the Bulldogs with 2 each from Chuck Bailey, and Bryce Ter Haar. Nolan Ritter and Joseph Yanez contributed on defense throughout the game. The B-team boys finished their season with 4 wins and 6 losses
