The Golden Plains Middle School B-team boys played only a 2-quarter game against Weskan on February 6, the play they did. The boys came out for a 9-4 lead in the first quarter. In the second quarter, they held the Coyotes to 4 points while scoring another 14 for the 23-8 win.

Caleb Korte, a seventh grader, scored all nine points in the first quarter and all but the last two in the second for a total of 21 points. Nolan Ritter, also a seventh grader, scored the last two.

“It has been a fun season,” said Caleb Korte, who scored a personal best, “I was glad I was able to help my team win.”

The B-team finished their season with a 5-5 record and will travel to Brewster for the WKLL tournament this Thursday where they will play Triplains/Brewster at 12:30 pm.
