

Junior High Girls Play at Home
By Gabrielle Schiltz

The junior high girls played at home for the first time this season on September 26th against Damar and Logan. Both the A team and JV had fun and exciting matches. Starting out the night, the A team battled Damar losing the first set 12 to 25, then winning the second set 25 to 20, and ending the third set 15 to 11, adding another win to their record. They then played Logan. The first set ended 25 to 17. Right from the start in the second set, the girls had a little trouble allowing Logan to leap ahead 5-0. GP then took a timeout to gather their thoughts and quickly fought their way back into the game ending the set 25-13. The A team ended with two wins for the night.

The B team played two close matches against Logan and Damar. They won their first game against Logan 25-23 and the second set 25-20, but couldn't quite pull off a win against Damar. The game went into three sets with Damar winning the first 25-23 and the Bulldogs winning the second 25-18. Damar claimed the win in the third 15-7.

"Overall, we all played well and had fun," said Karri Schaben, sixth grader. "We just need to work on being more aggressive and calling the ball to come out victorious." The team is looking forward to playing the next two games in their home gym against Healy/Heartland and Cheylin.
