

Scholar's Bowl Team Finishes Season
By GPHS

The High School Scholar's Bowl team wrapped up its season on Thursday, January 21, 2015, with a season ending loss at the Regional Meet in Ransom. "They may have not won many meets," said Charlotte McCurday, "but the community has been very supportive of us."

The members of the team were mostly Sophomores and Freshmen with only one senior, team captain Rebecca Bange. Everyone on the team has played on Varsity at least once this year. Being a younger team, they had a harder time with the questions that were asked.

"We could've definitely improved," said McCurdy. "I feel that our biggest struggle was ultimately in math. In the future I think we should practice more math skills and formulas to help improve it. We have made some friendly bonds together as a team from singing to goofing around. It has been fun, and I can't wait until next year."

A big congratulations and thanks go to Rebecca Bange for competing throughout high school. Returning team members include Charlotte McCurdy, Devin Carter, Jennifer Esparza, Clayton Bange, Nick Brown, and Dawson Spresser. Rosanne Dougherty will return as their coach.
