By Amanda Cheney

The Golden Plains High School Scholar's Bowl teams competed at home on November 2nd. The GP varsity team members included Nick Brown, Devin Carter, Angel Sanchez, Clayton Bange, Charlotte McCurdy, and Jennifer Esparza. They competed against Cheylin, Wheatland, St. Francis, Weskan, Rawlins County, Wallace County, Brewster, Hill City, and Triplains.

Golden Plains went on a four round winning streak. Rawlins County took down the 'Dogs, but GP recovered for two more wins. The 'Dogs had one more loss to Hill City, but redeemed themselves to defeat Triplains. There was a three-way tie between Golden Plains, Wheatland, and Rawlins County. The Bulldogs ended with third place.

"I think we did really well," said Charlotte McCurdy. "We just need to stay focused and try our hardest, even if we get down." Clayton Bange added, "We need to be a bit more competitive. The topic we have the most trouble with is current events, so we could use some more knowledge on that."

The Golden Plains Scholar's Bowl team will head to Winona for their third meet on November 9. Both Varsity and JV teams will compete.
