

Bulldogs Drop Three in Dighton

By Judy Rogers

The Lady Bulldogs played their first of three out of five days at the Dighton Quad on October 11. They had played some close games in Hill City the Saturday before and were facing the WKLL tournament in the coming days. "We got off to a slow start," said sophomore KayCee Miller.

The first set for the Bulldogs was against the Wheatland/Grinnell Thunderhawks. This was the first time the Bulldogs had faced the Kansas Volleyball Association #1 state ranked 'Hawks. The Bulldogs gave it their all but the 'Hawks showed why they earned their ranking as they defeated the 'Dogs in two sets 14-25 and 16-25.

Also ranked in the top ten of the Kansas Volleyball Association, Dighton was the 'Dogs second game of the night. They also defeated the 'Dogs in two sets 25-18, 25-17.

The final game of the road trip was against the Trego Golden Eagles. The Bulldogs had given the Eagles a competitive game at the Ringneck Classic the Saturday before and this game was no exception. The Eagles won the first set 26-24 but the Bulldogs answered with a 25-21 win. The third set was another close contest but the Eagles won 25-23.

"We are working on playing every ball," added Miller. "We still need to work on finishing the set." The Bulldogs head to the WKLL tournament on Thursday where they will face another tough contest with state ranked Northern Valley and Logan in their pool.
