

Bulldogs Drop Three at Home

By Judy Rogers

The Golden Plains Middle School Volleyball team lost three close games at home on September 13 to the Grinnell/Wheatland Thunderhawks.

The A-team played a close first set but lost to the 'Hawks 17-25. They just couldn't get anything to work in their favor in the second set losing the set and the match 8-25.

The B-team girls stepped on the court determined to play well and lost the first set 19-25. They fought back in the second set to pull off the 25-23 win and go to a third. The third set was another close game but the 'Hawks held on for the win 16-14. "We only lost by two," said Anette Hernandez-Lopez. "We played better than we did last week. We hit the ball a lot harder and our serves were better. We still need to work on our communication on the court."

The C-team also played a close set and were tied up at 22 before the Thunderhawks pulled ahead for the win 25-22. The Bulldogs play at home again September 17 when they host Atwood and Oberlin.
