

MS Wins Two at Home

By Judy Rogers

Two more wins were added to the Golden Plains Middle School volleyball record on September 27 as both A and B teams won over Heartland Christian School on their home court in Rexford.

The A-team played first and worked hard for their win. They defeated Heartland 25-21 in the first set, but the Crusaders came back in the second to win the set 26-24. In the third set, both teams gave it their all, but the home town Bulldogs claimed the win 15-11.

The B-team girls only played one set. It was another close game with the Bulldogs gaining the win 25-21 "It was really good that we won," said Jorja Juenemann, 7th grade. "We've lost a lot of games and need to win out to prepare for the league tournament." The GP girls will continue their season in Cheylin on October 4.
