

Bulldogs Play in All-Star Games
By Judy Rogers

Golden Plains had three senior basketball players participate in all-star games in recent weeks. Wade Rush, Ashley Stoll, and Brooke Stoll played in the Northwest Kansas All-Star game in Colby on April 25. The Stoll girls were also selected to play in the first ever Small Town Western Kansas Basketball All-Star game in Leoti on May 2.

“It was a good experience to play with girls you’ve competed against,” said Brooke Stoll. “It was also good to meet new people and experience different styles of play. I’m definitely going to miss playing basketball and being part of a team.” “It was lots of fun to play with different people,” added Ashley Stoll. “This was the last of our last high school games. I’m sad that it’s over. I would encourage others to give it your all and enjoy every moment. It’s over before you know it!”
