The Golden Plains JV boys basketball team finished their season on February 23 with three quarters in Rexford against the Wallace County Wildcats. The Bulldogs couldn't quit come out on top ending the game 21-30.

Shea made a three in the second quarter, being their only points added. The Wildcats adding another 13 to end the second quarter with a 21-7 lead.

The Dogs finished the third and final quarter adding 14 points to the board. Fabian Cepeda made an appearance adding 10, Shea had 2 more and Infante added 2. The Wildcats only added 9 this quarter but still ended the game with a 30-21 win over the Bulldogs. Contributing to the score was Cepeda 10, Shea 6, and Infante 5.

The JV had one win this season. "Our record showed a rough reason, but the improvement from the beginning to the end is a win to me," said Junior Ethan Shea. Freshman Will Bruggeman added, "Our shooting form improved, we need to learn to shoot more than pass. As the season went on we all understood the game more, and we communicated better towards the end of the season."

"We had troubles with passing the ball away instead of shooting," continued Freshman Landon Meier, "as well as ball handling and passing when and where we should, but we worked together as a team to improve." "I was proud to see their improvement throughout the season," concluded Coach Steiner Scott.
