

Bulldogs Place at Norton
By Judy Rogers

The Golden Plains Forensics team competed at Norton on February 5 for their second meet of the season. All four students competing made it to finals. As a team, they finished in sixth place.

Each team members placed in at least one of their events including senior Alisha Brantley who placed fourth in Poetry. Freshman Wyatt Amlong finished fifth in Extemp. Alisha Brantley also placed sixth in Extemp for her first time trying this event. Also placing sixth was sophomore Ava Brantley competing in Impromptu and senior Britton Knowles in Poetry. Amlong also competed in Impromptu and Knowles performed in Prose.

“I’m very happy with GP’s forensics students,” said Coach Robyn Wessel. “Finals didn’t quite go as planned, so there are no new state qualifications, but we took 6th place as a team!! Not bad for 4 students.” The team will compete at their next meet in Almena on March 5.
