

Middle School Plays Tri in Oberlin
By McKinzie Horobik

The Golden Plains Middle School lost two games each at Oberlin against Decatur County and Rawlins County on September 19.

The A-team played Rawlins in three sets. Rawlins won the first set 15-25. The Lady Bulldogs won the second set with determination 25-17. With the third set only going to 15 the Dogs lost 8-15. The team then played Decatur County in two with the first 15-25 and the second 17-25. “We stayed positive, continued to work hard through the games,” Marisol Perez 8th grade, “but we need to stop depending on the crowd for support and just work on that as a team.”

The B-team played two extremely close, hard fought, sets against Rawlins County with the Buffaloes winning the first 31-29. They claimed the second set and the match 25-23. The Dogs then moved on to playing Decatur County, also losing the sets 25-9 in the first and 25-12 in the second. “We need to work on serving and talking to one another,” said Briella Knowles 7th grade, “but we did great on spikes and passing to the setter.”

The Middle School will continue their season in Brewster to play Triplains/Brewster on September 22.
