

**2018 SCHOLARSHIP INFORMATION
FOR DIESEL TECHNOLOGIES TRAINING AT
NORTHWEST KANSAS TECHNICAL COLLEGE, GOODLAND, KS**

-
- This scholarship is for a \$1500.00 for the 1st year of the 2 year training program in Diesel Technologies at the North West Kansas Technical College in Goodland, Kansas.
 - First year students will be employed for the summer break (approx. 6 wks) with starting hourly pay @ \$14.00/hr.
 - If Sporer Land agrees at the end of the summer internship that the student is performing to full potential they will offer other \$1500.00 scholarship for the 2nd year of education.
 - Second year students will be employed with Sporer Land during the Occupational Work Experience, required for the program for 8-9 weeks prior to graduation.
 - The scholarship recipient will then be required to work for Sporer Land for 12 months after graduation, with a negotiated hourly rate. At the end of the 12 month period the recipient can then elect to apply for full time employment with full benefits or choose to seek other employment. If employment of 12 months is not completed, the recipient will have to refund the 2nd year scholarship to Sporer Land.

The corporate officers of Sporer Land Development will review all scholarship applications and select the finalists for personal interviews based on the materials requested. Sporer Land Development, Inc. is a heavy construction company engaged in highway, flood control, conservation, concrete paving and site grading work located in Oakley, KS.
