

**Advanced Computers/Multimedia  
Course Syllabus  
Golden Plains High School  
Mrs. Judy Rogers, Instructor**

- Course Title: Advanced Computers/Multimedia
- Pre-Requisite: Successful completion of Computer Technology I
- Skills Required: Positive Attitude, Respect toward equipment and people, willingness to try new things, self-motivation, and self-discipline
- Expectations: You will be expected to work independently and cooperatively to complete a variety of projects. These projects may include, but are not limited to, web-page design and maintenance; digital video and graphics production; media writing and publishing; hardware, software and network support; technology & media research; and other tasks as needed and assigned.

Grading Summary:

Daily Grade: You will receive a daily grade based upon your work habits for the day. (5 points per day max). If you are absent, you will receive a 0 for the day. Points can be made up in various ways including time outside of class, writing newspaper articles, recording/taking photos at school events, etc.—see me for makeup points.

Project Grade: You will receive a grade for projects upon completion of the project. The number and type of projects completed will vary.

Final grade will be based on total points for the semester.

Please see me if you have any questions or concerns.
