

Health Screenings

The following screenings are mandated by the PA State Health Department

- **Physical** exams are required for all students upon entry (K or 1st), 6th, and 11th
- **Dental** exams are required for all students upon entry (K or 1st), 3rd & 7th.

Parents have the option of getting these exams done by their own doctor/dentist (at parent's expense) or by the school doctor/dentist (at no expense to parent). Please see **Forms** to print the physical and dental forms for exams done by your provider.

- **Vision Screenings** – these are done yearly for all grades K-12. These exams are completed by the TIU 11.
- **Hearing Screenings** – these are done yearly for grades K, 1, 2, 3, 7, 11 & any student receiving special education services. These exams are completed by the TIU 11.
- **Growth Screenings (Height/weight/BMI)** – these are done yearly for all grades K-12.
