

## School District Mission

The Telluride School District R-1 shall strive to provide a safe environment for all students **and staff as a priority** and meaningful opportunities and innovative educational programs for all students so that they reach their learning potential, including the attainment of content standards, through partnerships between home, school and the community.

**MISSION: Through quality education our students will achieve personal success**

**END RESULTS: As a result of our efforts students will.....**

1. Master rigorous academic standards required to meet the challenges of their future by
  - Understanding the relevance of the core content knowledge
  - Accessing and utilizing current technology to research and communicate
  - Performing at or above proficiency on formative assessments
  - Connecting and applying content learning to real life situations
2. Direct and own their learning through the use of effective tools and processes by
  - Applying and transferring critical thinking and creativity to solve complex problems
  - Developing interpersonal skills to communicating clearly, politely and persuasively
  - Identifying their learning levels and personal interests
  - Helping to design their standards based learning projects
3. Interact globally and contribute locally to improve the human condition and environment by
  - Accessing information and communicating digitally
  - Developing social awareness of regional and global issues and the impact of activism
  - Contributing through service to the local and global community
4. Be ethical and healthy individuals by
  - Respecting self and others
  - Demonstrating tolerance of diverse communities, opinions and perspectives
  - Understanding the impact of individual choices on emotional and physical wellness
