

Student Distribution of Noncurricular Materials

Approval required prior to distribution

Students who wish to distribute more than 10 items or copies of noncurricular materials on school property or at a school-sponsored activity or event shall submit the material to the school principal for approval at least five school days in advance of the planned distribution date. The principal or principal's designee shall respond to such request within three school days.

The following restrictions apply to all requests to distribute more than 10 items or copies of non-curricular materials by students on school property or at a school-sponsored activity:

1. **Place.** Distribution of printed materials must be made at places within the school or on school grounds as designated by the principal except that in no event may such materials be distributed in any classroom of any building then being occupied by a regularly-scheduled class.
2. **Time.** Distribution may be made one-half hour before school and/or during regularly scheduled lunch periods and/or 15 minutes after the close of school. Any other times during the school day are considered to be disruptive of normal school activities.
3. **Littering.** All distributed noncurricular materials discarded in school or on school grounds must be removed by the persons distributing such items.
4. **Manner.** No student may in any way be compelled or coerced to accept any noncurricular materials. In the alternative, no school official or student may interfere with materials distributed in accordance with this regulation and its accompanying policy.

Violation of this regulation and/or accompanying policy will be sufficient cause for denial of the privilege to distribute materials at future dates and may be cause for disciplinary action, including suspension and/or expulsion.
