

## Brainstorming Activity

### What would you like to learn about?

I would like to learn about \_\_\_\_\_.

\*this can be your first sentence of your story, it is the main idea

### Why do you want to learn about this?

Example: I would like to learn more about Egypt because I like pyramids.

### What do you know about this subject?

Example: I know that it took a lot of hard work to make those pyramids.

### Who can help you learn more about this subject?

Example: I can check out books in the library about Egypt and research pyramids.

\*for the answer to each question, make one sentence. When you are finished, you should have four sentences for your story. Please write your story on the lined paper provided. This is just a guide to help your child brainstorm and organize ideas. We will be using these in class as well. Thank you.
