CONTRACTOR'S STATE LICENSE CLASSIFICATION & NUMBER (if required)

hereinafter referred to as CONTRACTOR.

CONTRACTOR agrees to provide to DISTRICT the services enumerated in Section G of this CONTRACT under the following terms and conditions:

- A. Services shall begin _____ and shall be completed June 30, 2023.
- B. CONTRACTOR enters into this CONTRACT as an independent contractor and not as an employee of the District. The CONTRACTOR shall have no power or authority by this CONTRACT to bind the District in any respect except as provided herein. Nothing in this CONTRACT shall be construed to be inconsistent with this relationship or status. All employees, agents, contractors or subcontractors hired or retained by the CONTRACTOR are employees, agents, contractors or subcontractors of the CONTRACTOR and not of the DISTRICT. The DISTRICT shall not be obligated in any way to pay any wage claims or other claims made against CONTRACTOR by any such employees, agents, contractors or subcontractors, or any other person resulting from performance of this CONTRACT.
- C. CONTRACTOR shall furnish, at his own expense, all labor, materials, equipment and other items necessary to carry out the terms of this CONTRACT.
- D. CONTRACTOR must develop a written schedule of work acceptable to DISTRICT prior to commencement of work. CONTRACTOR must not deviate from said schedule without written permission from DISTRICT.
- E. CONTRACTOR shall indemnify, defend, and hold harmless the District, its officers, officials, agents, and employees and volunteers from and against any and all claims, damages, demands, liability, costs, losses and expenses, including without limitation court costs and reasonable attorneys' fees, arising in any manner by reason of negligent acts or negligent failure to act, errors, omissions or willful misconduct incident to the performance of this CONTRACT on the part of CONTRACTOR except such loss or damage which was caused by sole negligence or willful misconduct of the District. The provisions of this paragraph shall survive termination or suspension of this CONTRACT.

- F. CONTRACTOR shall not commence any work before obtaining, and shall maintain in force at all times during the duration and performance of this CONTRACT the policies of insurance specified in this Section. Such insurance must have the approval of the District as to limit, form, and amount, and shall be placed with insurers with a current A.M. Best's rating of no less than A:VII (or, in the case of Worker's Compensation insurance, with the State Compensation Insurance Fund of California).
- (i) Prior to execution of this CONTRACT and prior to commencement of any work, the CONTRACTOR shall furnish the DISTRICT with original endorsements effecting coverage for all policies required by the CONTRACT. The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. The endorsements are to be on forms provided by the DISTRICT. As an alternative to the DISTRICT'S forms, the CONTRACTOR'S insurer may, subject to the approval of the DISTRICT, provide complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by this Section. The CONTRACTOR agrees to furnish one copy of each required policy to the DISTRICT, and additional copies as requested in writing, certified by an authorized representative of the insurer. Approval of the insurance by the DISTRICT shall not relieve or decrease any liability of CONTRACTOR.
 - (ii) In addition to any other remedy the DISTRICT may have, if CONTRACTOR fails to maintain the insurance coverage as required in this Section, the DISTRICT may obtain such insurance coverage as is not being maintained, in form and amount substantially the same as is required herein, and the DISTRICT may deduct the cost of such insurance from any amounts due or which may become due CONTRACTOR under this CONTRACT.
 - (iii) Each insurance policy required by this CONTRACT shall be endorsed to state that coverage shall not be suspended, voided, canceled, terminated by either party, or reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the DISTRICT.
 - (iv) Any deductibles, aggregate limits, pending claims or lawsuits which may diminish the aggregate limits, or self-insured retentions, must be declared to, and approved by, the DISTRICT.
 - (v) Aggregate Limits/Impairment

If any of the above-required insurance coverages contain annual aggregate limits, you must give the DISTRICT notice of any pending claim or lawsuit which may diminish the aggregate. You must take steps to restore the impaired aggregates or provide replacement insurance protection. The DISTRICT has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect DISTRICT'S protection are allowed without DISTRICT'S prior written consent.
 - (vi) The requirement as to types, limits, and the DISTRICT'S approval of insurance coverage to be maintained by CONTRACTOR are not intended to, and shall not in any manner, limit or qualify the liabilities and obligations assumed by CONTRACTOR under the

CONTRACT.

(vii) The CONTRACTOR and its contractors and subcontractors shall, at their expense, maintain in effect at all times during the performance of work under the CONTRACT not less than the following coverage and limits of insurance, which shall be maintained with insurers and under forms of policy satisfactory to the DISTRICT. The maintenance by CONTRACTOR and its contractors and subcontractors of the following coverage and limits of insurance is a material element of this CONTRACT. The failure of CONTRACTOR or of any of its contractors or subcontractors to maintain or renew coverage or to provide evidence of renewal may be treated by the DISTRICT as a material breach of this CONTRACT.

(viii) Worker's Compensation and Employer's Liability Insurance.

(a) Worker's Compensation - Insurance to protect the CONTRACTOR, its contractors and subcontractors from all claims under Worker's Compensation and Employer's Liability Acts, including Longshoremen's and Harbor Worker's Act ("Acts"), if applicable. Such coverage shall be maintained, in type and amount, in strict compliance with all applicable state and Federal statutes and regulations. The CONTRACTOR shall execute a certificate in compliance with Labor Code Section 1861, on the form provided in the CONTRACT Documents.

(b) The insurer shall agree to waive all rights of subrogation against the DISTRICT for losses arising from work performed by the CONTRACTOR.

(ix) Comprehensive General and Automobile Liability Insurance.

The insurance shall include, but shall not be limited to, protection against claims arising from death, bodily or personal injury, or damage to property resulting from actions, failures to act, or operations of the insured, or by its employees or agents, or by anyone directly or indirectly employed by the insured. The amount of insurance coverage shall not be less than **1,000,000.00** per occurrence.

The comprehensive general liability insurance and the automobile liability insurance coverages shall also include, or be endorsed to include, the following:

(a) Provision or endorsement naming the DISTRICT and each of its officers, employees, and agents, as additional insureds in regards to: liability arising out of the performance of any work under the CONTRACT; liability arising out of activities performed by or on behalf of the CONTRACTOR; premises owned, occupied or used by the CONTRACTOR; or automobiles owned, leased, hired or borrowed by the CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to the DISTRICT, its officers, officials, employees or volunteers.

(b) Provision or endorsement stating that for any claims related to this project, the CONTRACTOR'S insurance coverage shall be primary insurance as respects the DISTRICT, its officers, officials, employees and volunteers to the extent the DISTRICT is an additional insured. Any insurance or self insurance maintained by the DISTRICT, its officers, officials, employees or volunteers shall be in excess of the CONTRACTOR'S

insurance and shall not contribute with it, to the payment or satisfaction of any defense expenses, loss, or judgment.

(c) Provision or endorsement stating that any failure to comply with reporting or other provisions of the policies including breaches of representations shall not affect coverage provided to the DISTRICT, its officers, officials, employees, or volunteers.

(d) Provision or endorsement stating that the CONTRACTOR'S insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(e) Provision or endorsement stating that such insurance, subject to all of its other terms and conditions, applies to the liability assumed by the CONTRACTOR under the CONTRACT, including, without limitation, that set forth in Section E.

G. Services to be rendered to the DISTRICT by the CONTRACTOR shall be described in detail in the attached scope of work attached hereto as Exhibit A and incorporated herein by reference.

H. Neither party shall assign or delegate any part of this CONTRACT without the written consent of the other party.

I. CONTRACTOR agrees and represents that it is qualified to properly provide the services set forth herein in a manner which is consistent with the generally accepted standards of CONTRACTOR'S profession. The work completed herein must meet the approval of the DISTRICT and shall be subject to the DISTRICT'S general right of inspection and supervision to secure the satisfactory completion thereof.

J. CONTRACTOR understands and agrees that Labor Code Section 1771 provides that except for public works projects of One Thousand (\$1,000.00) dollars or less, not less than the general prevailing rate of per diem wages, and not less than the general prevailing rate of per diem wages for holiday and overtime work shall be paid to all laborers, workmen, and mechanics performing construction, alteration, demolition or repair work on any DISTRICT facility, property or equipment. The general prevailing wage rate has been determined by the Director of the State Department of Industrial Relations and a copy of the applicable prevailing wage rates may be obtained from the Department of Industrial Relations or from the DISTRICT Office.

Effective March 1, 2015, all contractors must have registered with the California State Department of Industrial Relations pursuant to Labor Code section 1725.5 prior to submitting a bid. Furthermore, effective April 1, 2015, a contractor must be registered pursuant to Labor Code section 1725.5 before entering into a contract to work on a public project.

K. The CONTRACTOR shall be paid at the completion of services as described in the purchase order. Said amount shall be paid upon submittal of a final billing. CONTRACTOR shall furnish DISTRICT with invoices for all expenses as well as for all materials authorized by this CONTRACT. If CONTRACTOR'S performance is not in conformity with the schedule of performance found in Section A, payments may be delayed or denied, unless the CONTRACTOR'S failure to perform in conformity with such schedule of performance is a documented result of the DISTRICT'S failure to conform with such schedule of performance, or if the schedule of performance is extended pursuant to Section P. If the work is halted at the

request of the DISTRICT, compensation shall be based upon the proportion that the work performed bears to the total work required by this CONTRACT, subject to this section K.

- L. This CONTRACT may be terminated by either party notifying the other, in writing, at least 10 days prior to the date of termination. In the event of termination, the CONTRACTOR shall be compensated as provided for in this CONTRACT. Upon termination, the DISTRICT shall be entitled to all work performed to that date.

Business entities entering into contracts with the Owner for the construction, reconstruction, rehabilitation or repair of a facility must comply with Education Code section 45125.2, and if such an entity is not compliant with Section 45125.2, then it must comply with Section 45125.1. Such entities are responsible for ensuring full compliance with the law and should therefore review all applicable statutes and regulations. The following information is provided simply to assist you with compliance with the law:

1. The Owner has determined that your employee(s), or you as a sole proprietor, will have more than limited contact with students, therefore the law requires that you must use one or more of the following methods to ensure the safety of pupils (Education Code §45125.2(a)):
 - a. Install a physical barrier at the worksite to limit contact with pupils.
 - b. If you are not a sole proprietorship, have one of your employees, whom the Department of Justice has ascertained has not been convicted of a violent or serious felony (see **Attachment A** to this Notice and Acknowledgement), continually monitor and supervise all of your employees. For the Department of Justice to so ascertain, your employee may submit fingerprints to the Department of Justice pursuant to Education Code section 45125.1(a).

Prior to commencing the Work, you shall submit the Independent Contractor Student Contact Form (see **Attachment B** to this Notice and Acknowledgement) to the Owner, which will indicate which of the above methods you will use.

2. If you are providing services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.2, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. Owner shall determine whether an emergency or exceptional situation exists. (Education Code §45125.2(d).)
