Date Plan Updated

Describe how the LEA will ensure continuity of services including but not limited to services to address students' academic needs and students' and staff social emotional mental health and other needs which may include student health and food services. (110 of 1000 maximum characters used)

LEA continues to follow the CDC guidelines and as well as the recommendations from the Office of the Governor.

Describe how the LEA sought public comment on its plan and how it took those public comment into account in the development of its plan. (368 of 1000 maximum characters used)

The district posted its Safe Return to School protocols on the district website in August 2021 and sought community input. Additionally, the Board of Education held public meetings and announced the policies that it would follow. Community members attended the public meetings and addressed the Board of Education to either agree or dissent the protocols to be used.

Describe how the LEA ensured that the plan is in an understandable and uniform format; is to the extent practicable written in a language that parents can understand or if not practicable to provide written translations to a parent with limited English proficiency will be orally translated for such a parent; and upon request by a parent who is an individual with a disability as defined by the ADA will be provided in an alternative format accessible to that parent. (177 of 1000 maximum characters used)

The plan is written in English and, if requested, translatable into needed languages, which parents can understand. If an alternative format is necessary, one will be provided.

Briefly describe any guidance professional learning and technical assistance opportunities the LEA will make available to its schools. (96 of 1000 maximum characters used)

If professional learning and/or technical assistance becomes necessary, the LEA will provide it.

Provide current link to the district's website where the plan is posted.

By checking this box and saving the page, the applicant hereby certifies that they will assure that the information contained in the Safe Return to School plans will be updated within this system every 6 months during this grant project period.
