Welcome, and thank you for visiting the Salem High School's web page. As Principal of Salem High School, I am excited for the opportunity to continue building upon the tradition of excellence with the current student body, staff, and community. Salem High School has a proud past and a bright future. We are proud of the individual success stories of our graduates. These distinguished Salem High School Alumni carry the torch and continue to give back to our school and community.

While remaining proud of our past, we are working hard to create an even brighter future. The Salem City School District and the Salem City Board of Education continue to create unparalleled opportunities for all students. Our students can take advantage of a wide array of Advanced Placement and Honors coursework, Project Lead the Way, and the International Baccalaureate Programme. Our fine arts program aims to be among the finest in the entire region. Students can study dance, art, music, applied technology, and video technology in facilities that are second to none. Like all of our courses, these programs focus on creativity and critical thinking, which is a hallmark of our district's educational philosophy. A philosophy designed to create 21st century learners: creative thinkers and problem solvers ready to contribute to our global economy.

As Salem High School's Principal, it is my job to ensure that our entire staff endeavors to meet the individual needs of each unique learner. We will strive each day to provide our students the opportunities and support they need to be successful, and that no child is overlooked. It is imperative that all of our graduates are college and career ready at the conclusion of their four-year academic journey at Salem High School.

I look forward to working with all the stakeholders of Salem High School as we go through the 2022-2023 school year and beyond. RAM PRIDE!

Yours in education,
