December 9, 2022

Hello, Salem Middle School Family!

Please be advised that effective Monday, December 12th, contractors will begin laying the groundwork for our school's new heating and air conditioning system. The contractors will be working in our rear parking lot.

This means that our faculty will have to park on the streets in the nearby neighborhood and our 3rd and 4th grade students will no longer be admitted to or dismissed from this area. So, effective Monday, December 12th, and until further notice our 3rd and 4th graders will be admitted to and dismissed from the school's Main Entrance located on New Market Street.

It should be noted that this will cause some further traffic congestion at arrival and dismissal times. We ask that everyone use caution and patience when travelling through the Salem Middle School neighborhood. Furthermore, please talk to your children about safety procedures when crossing the street and exiting vehicles.

Thank you and be well!

The SMS Administration and Faculty
