

# Recovery Stigma Simulation

June 7, 2022

9am to Noon

Aquashicola Fire Company

270 Little Gap Road

Palmerton, PA 18071

## **Instructions for participants in the Recovery Simulation:**

The purpose of this simulation is to show the challenges and stigma people face when in early recovery from Substance Use Disorders. Please arrive for registration for the morning session at 9:00 am to receive instructions and complete a Pretest. Anyone who arrives after the start time of 9:30 am will not be permitted to participate. The experience is supposed to be chaotic. If you are unsure of what you are to be doing please ask. After completing 4 cycles of fifteen minutes each we will process the experience and ask that you complete a Post Test. We appreciate your willingness to participate.
