

We offer Preferential Services to Pregnant Women

Priority Treatment and Case Management Services for the following priority populations:

- *Pregnant Injection Drug Users*
- *Pregnant Substance Abusers*
- *Injection Users*
- *Individuals who have recently overdosed*

The Commission and its providers make every effort to extend assistance to individuals with special needs that impact their access to services

We receive funding from the Department of Drug and Alcohol Programs, PA Dept. of Welfare, grants, and donations

We offer a sliding scale based on income for the uninsured, accept CCBH, Blue Cross of NEPA, First Priority, and self-pay
