

STEP – Up Carbon

(Support, Treatment, Enforcement, Prevention)

Next Meeting

Tuesday, November 20th, 2018

(Every third Tuesday)

7:00 PM

St. Peter's Community Resource Center

177 Main Road

Lehighton, PA 18235

Coming from Dunkin Donuts, continue through Weissport – remain straight at the stop sign. Continue straight for about 100 yards and the center is on the right.

Agenda

Discuss possible goals and implement actions to achieve those goals with the help of community members.

Our mission is to assist those afflicted with addiction to get all of the support necessary – medical treatment, housing, life skills training, support networks, etc., to reintegrate them back into society to attain a positive and successful future. This process will be done through Support, Treatment, Enforcement, and Prevention, (STEP).

We encourage all members of the community, local government, first responders, nurses, faith-based groups, business owners, people in recovery, etc. to come together and help us tackle the opioid/heroin epidemic.

Contact Lindsay Simmons, lsimmons@cmpda.cog.pa.us or Peggy Mooney, pmoon62@ptd.net for any more information.
