

TFD Explorer Post 40 Meet and Greet

**Tolland Fire Department
Explorer Post 40
Meet and Greet**

Monday, September 30th, 2019

6:30 p.m.

**Tolland Fire Department Training Center
191 Merrow Road**

Would you and your child like to learn more about Tolland Fire Department's Explorer Post 40 program?

Please join us as we host an informational Meet & Greet with the intent to recruit new high school age members who reside in Tolland. Post Advisors and current members will be on hand to answer questions regarding the curriculum as well as the roles and responsibilities of members. The Explorer program is a great opportunity for young men and women to learn about Emergency Services and serving their community!

Meet and Greets are the best opportunities for families to learn about our program before applying for admission.

Please register by emailing your name, address, telephone number as well as your child's name and age, to Post Advisors at tfd.explorerpost40@hotmail.com no later than September 27, 2019.
