Tolland Families,

The Tolland Public Schools recently learned of the arrest of a person who worked as a substitute in BGP in connection with an off campus incident. The district has removed the substitute in question from the substitute list. We are fully cooperating with the police investigation as we take the allegations very seriously. To our knowledge none of our students or staff members were implicated in the off campus matter. Our utmost priority is the safety and wellbeing of our students and staff and we have many protocols in place to assure their well-being. Police and security personnel will be present at Birch Grove Primary School this week. If you have any concerns, please call 860-870-6850 extension 1.

- Superintendent Willett
