

Explore Engineering Program 2017!

Sunday, June 18th, 2017 to Thursday, June 22nd, 2017 and
Sunday, June 25th, 2017 to Thursday, June 29th, 2017

Interested in Engineering?

This **5-day residential program** on the Storrs campus offers you the opportunity to explore various fields of engineering at the University of Connecticut, such as:

- Biomedical Engineering
- Chemical & Biomolecular Engineering
- Civil Engineering
- Computer Engineering
- Computer Science & Engineering
- Electrical Engineering
- Engineering Physics
- Environmental Engineering
- Management & Engineering for Manufacturing
- Materials Science & Engineering
- Mechanical Engineering

Tell me more about this amazing experience!

If you are a current 10th or 11th grader, the University of Connecticut invites you to challenge your math and science skills to incorporate them into hands-on experiments, exciting engineering concepts, and fun activities.

The cost is only \$700, which includes:

- Exposure to 12 different engineering programs
- On-campus housing and dining hall meals
- Instruction from full-time UConn faculty
- Access to state-of-the-art research areas, our Engineering Learning Center and its software
- The opportunity to participate in the Young Engineering Science Scholars (YESS) Program
- Scavenger hunt and "Paint the Rock" event
- Program t-shirt

How can I apply?

The School of Engineering is pleased to put on this resourceful program for budding engineers.

To apply and find out more about Explore Engineering, please visit the website at:

edoc.engr.uconn.edu/explore-engineering/

Application Deadline:

June 1st, 2017

Questions? Send us an email at:

enr-explore@uconn.edu

We hope to see you this summer!
