Power School and Unified Classroom Resources

Since February 2018, Tolland Public Schools began to use PowerSchool's Unified Classroom. Unified Classroom provides a comprehensive look at student growth and achievement, while providing a single sign-on opportunity for parents with multiple students in the district.

While the mobile app has not changed (Unified Classroom access does not change your mobile app access) and can still be used, the computer-based version of Unified Classroom provides a more detailed view, and we recommend that parents use both tools to gain knowledge about their student.

For directions on how to set up your Unified Classroom account, if you haven't already, you may always visit the Tolland Public School's website or any of the school websites and click PowerSchool in the upper right-hand corner.

If you have already created your Unified Classroom account and can successfully log in at classroom.powerschool.com, you do not need to do anything further. If at any time you need to reset your password, you may do this yourself using the Forgot Password option on the sign in page.

New to Unified Classroom or PowerSchool
