**CAUTION for Parents and Guardians**

*You may be aware of the "Momo Challenge." This is a frightening social media account that challenges kids to engage in increasingly risky behavior, eventually towards suicide. At this time it is currently on WhatsApp, but it may be spreading to other social media platforms.*

*We encourage our families to have an open discussion with their students about what they are experiencing on social media and the potential dangers that exist. I have listed an article and resource below.*

**Tolland Project Graduation**

Dear Tolland Parents,

The Tolland Project Graduation committee is asking parents of students in grades K-11 to consider making a donation of any amount to help fund the ALL-NIGHT graduation party that is FREE for seniors. Time passes in the blink of an eye and soon your child will be graduating too. Parents of seniors may donate if they wish, but there's no obligation. Many businesses in Tolland and neighboring towns have already given money to support this special event. With your help, we can provide a SAFE place for our young adults to celebrate their accomplishments with friends before leaving for college and the work force.

Donations can be made 2 ways:

1. Check payable to Tolland Project Graduation; PO Box 366; Tolland, CT 06084
2. With PayPal to [TollandProjectGrad@gmail.com](mailto:TollandProjectGrad@gmail.com)

Please feel free to reach out to Dan Carmody (860) 874-5597 with any questions.

Thank you for your anticipated support for our mission: Keeping our graduates safe since 1987  
TPG, Inc. is a federally registered 501(c) (3) non-profit organization.

**Donations are tax deductible.**

## ***Let's talk about Gender***

**April 8, 2019**

DATE: April 8, 2019

Location-Tolland Public Library Program Room

Time - 7:30 PM

We now have an (ever-evolving) language to describe ourselves and our experiences of gender. Cisgender, transgender, non-binary, genderqueer, gender fluid, gender creative, gender expansive and many more. It can feel like we are learning a whole new language – and in some ways we are. What does this diversity of identity and expression mean for parents and children? For schools? Bring your curiosity and your questions for this lively discussion about the language, meaning and significance of gender for ourselves and others.

Since February 2018, Tolland Public Schools began to use PowerSchool's Unified Classroom. Unified Classroom provides a comprehensive look at student growth and achievement, while providing a single sign-on opportunity for parents with multiple students in the district.

While the mobile app has not changed (Unified Classroom access does not change your mobile app access) and can still be used, the computer-based version of Unified Classroom provides a more detailed view, and we recommend that parents use both tools to gain knowledge about their student.

For directions on how to set up your Unified Classroom account, if you haven't already, you may always visit the Tolland Public School's website or any of the school websites and click PowerSchool in the upper right-hand corner.

If you have already created your Unified Classroom account and can successfully log in at [classroom.powerschool.com](http://classroom.powerschool.com), you do not need to do anything further. If at any time you need to reset your password, you may do this yourself using the Forgot Password option on the sign in page.

*Snow Delays and Cancellations*

---

Dear Parent or Guardian:

I want to take this opportunity to inform you of the District's procedures regarding school closings, delays, and early dismissals.

The decision to change school schedules is made after careful review of information collected from the local police, highway and school maintenance departments as well as a local weather service. Road conditions, sidewalk status, precipitation, temperatures and forecasts are considered when making a determination to delay or close schools. In some circumstances, a delay may be upgraded to a school closing. Information related to delayed openings and school closures is broadcasted on television and radio stations typically by 5:45 a.m. The safety of our children is the priority factor in all decision making.

**BLACKBOARD CONNECT 5**

The *Blackboard Connect 5* communication system is a telephone messaging service that the district uses which enables us to personally communicate with parents and staff regarding emergency situations, school closings and delays, school events and other important issues impacting you and your children. It is imperative that you keep a current emergency telephone number listed at your child's school building. In the event of an early dismissal or delay, a Blackboard message will be broadcast to all families by 5:45 a.m. During an emergency or weather related incident, calls will be made through the emergency mode to all student numbers in the Blackboard system.

**DELAYED OPENINGS**

- This year we will utilize a two (2) hour delay.
- There is no morning (am) Birch Grove preschool classes on delayed openings.
- Buses will arrive at stops approximately two (2) hours later than the usual time.

**EARLY DISMISSAL**

- An announcement will be made on the radio and television stations, generally prior to 11:00 a.m.
- The high school is released at approximately 10:45 a.m. Tolland Middle School is released at 11:45 am and Tolland Intermediate and Birch Grove Primary School are released at 12:45 pm. (Please note that unusual circumstances may dictate an earlier dismissal.)
- There are no p.m. Birch Grove pre-school classes on early dismissal days.

In the event of school closings or early dismissals, all sporting events and student activities will be cancelled.

**TRANSPORTATION REGULATIONS**

Students in grades PreK-5 will be returned to school in the event an adult is not present at the bus stop to meet them unless you have signed the bus stop release form.

**ALL STORM ANNOUNCEMENTS**

Announcements will be made on the following TV Stations:

WTNH  
WFSB  
WVIT  
WTIC

It is the parent/guardian's responsibility to monitor weather related delays, closings, and early dismissals and to cooperate with school personnel as we work to ensure student safety.

**TOLLAND FAMILY RESOURCE CENTER'S INCLEMENT WEATHER PROCEDURES**

**If the Tolland Public School is closed due to inclement weather then the Tolland Family Resource Center is closed.**

**Weather delays and early closings**

**FRC School Age Care**

The Before School Program will follow the School System for delays:

\* 2 hour delay the FRC opens at 9:00 a.m. for children registered in the before school program for that day. (This is to allow enough time for the parking lot and sidewalks to be treated)

**Early Dismissal**

When there is an early dismissal due to inclement weather the FRC will close at 3:45 p.m. However, if Birch Grove and Tolland Intermediate School closes before 1:20 p.m. then FRC will close 2 hours after the end of school; example if Birch Grove/TIS close at 11:00 a.m. then FRC will close at 1:00 p.m.

Late fee pick up fees apply on early dismissals. Please call if you are delayed for any reason.

**FRC Preschool**

If Tolland Public Schools has a **delayed opening** due to weather, FRC morning preschool will open at 11:00 a.m. and will run until 12: 00 p.m. Four Year Old FRC afternoon Preschool will start at 12:00 p.m.

If Tolland Schools has an **early dismissal**, the afternoon Four-Year-Old FRC Preschool will be cancelled.

**FRC Preschool Enrichment**

If Tolland Public Schools has a **delayed opening** due to weather, FRC Preschool Enrichment will open at 11:00 a.m. and will run until 1: 30 p.m. If school **closes early** Preschool Enrichment will close at 12:00 P.M.

**FRC Play groups** are cancelled on delays or early closings.

Finally, I want to assure you, once again, that our primary concern in calling a school delay, early dismissal or closure is always the safety of our children. If parents feel conditions are unsafe, they should use their discretion and keep their children at home. Here's hoping for a warm and uneventful winter!  
Sincerely,

Walter Willett, PhD  
Superintendent of Schools

**CHECK OUT THE DAVID E. GOLDEN DISCOVERY LAB!**

A bus will take you there! Check with your school for the afternoon library bus!

<https://youtu.be/HSU-6tNfSWg>

There is something *incredibly cool* happening at the **Tolland Public Library**. *The David E. Golden Discovery Center*. The Golden GC has been made possible by the Tolland Education Foundation, and is to be dedicated in the memory of David E. Golden, a leader in the community and former President of the Tolland Education Foundation. The lab is open to the public and contains technology not available to the average person. The midi and music resources, video editing and production software, game construction software, and Oculus Virtual Reality stations (with software) make this lab one of the most cutting edge in the State of Connecticut. Call the library in advance or stop by to sign up for using this lab!
