SUPERINTENDENT'S AWARD 2017-2018

On Wednesday, February 28, two Tolland High School seniors received an award from the Connecticut Association of Public School Superintendents (CAPSS). Sarah Gorman and Lucas Knight-Vezina were recognized for their academic achievement, leadership in the school community, and commitment to service. Sarah and Lucas were honored at a ceremony held at RHAM High School along with several other students from surrounding school districts.

The following write-ups appeared in the evening's program:

Sarah Gorman has been a role model for other students in demonstrating outstanding leadership skills and exceptional personal character within our school and local community. As a Class Secretary since her sophomore year, Sarah has gone above and beyond in taking on additional responsibilities in leading the Junior/Senior Prom Committee last year. Through extensive involvement in our school's DECA chapter since her freshman year, Sarah has developed her true passion for business. Due to her high level of involvement in our school community service project, Feeding Children Everywhere, Sarah was named as the club's Rookie of the Year. Over the last two years, she has continued to be an active participant in our Operation Gratitude and American Cancer Society Relay for Life service projects. In her junior year, Sarah served as a DECA Executive Board member in being named Vice President of our chapter.

In playing girls varsity soccer team since her freshman year, Sarah was recognized in her junior year as an all-conference player. She was also selected as the recipient of the 2016 Grit Award and named team captain for her senior season. Sarah's has also been one of our WTHS Morning News Live Stream anchors the past three years. Her strong desire to lead and help others reaches beyond our school building walls. Through our town's TOPS Soccer program, Sarah volunteers to work with young athletes with mental and physical disabilities. She also gives her time to coach young athletes at the Eagle Soccer School.

Sarah works extremely hard to earn high academic marks in both Honors and AP courses. Due to her strong academic performance, leadership within the school community, service to others, and high level of character, Sarah was inducted into the Mark Twain Chapter of the National Honor Society last year. Sarah earned academic achievement awards in Introduction to Business and Economics classes in her freshman and sophomore year, respectively. Given her involvement in DECA and her success in business courses, it is no surprise she plans to pursue a post-secondary degree in business.

Lucas Knight-Vezina is a committed and serious student who challenges himself in taking rigorous courses and consistently maintaining very good grades. Teachers and peers all share how Lucas is an outstanding student committed to truly making difference in the lives of everyone in his school, family and community. He is young man of character, passion, and hard work. Most of all, Lucas is genuine, concerned for others, easy to relate to, consistent and modest. Everyone respects and likes him for who he is.

Within the school community, Lucas demonstrates his leadership skills in a variety of ways. As an active member of our Student Council since his freshmen year, he was

elected by his peers as President the past two years. He has organized our Annual Food Drive, Spirit Week, Pep Rally, and Homecoming Dance. Along with other members of Student Council, Lucas provides assistance at all our Open House events. In addition, he has served as his Class President for the past three years and leading the Junior/Senior Prom Committee last year. In his senior year, Lucas has taken on additional responsibilities in leading the Yearbook Committee and acting as the Co-Editor of the Tolland High School Yearbook. In all of these leadership roles, Lucas has demonstrated a unique ability to listen to others and organize individuals to accomplish group goals.

What sets Lucas apart from his peers is his willingness to help others and give back to his local community in order to make a difference. He is extremely involved with the TOPS Soccer Club as a volunteer and mentor. He has been inspired by both the young athletes he works with who have physical and mental disabilities as well as his English teachers. For this reason, he has expressed a sincere interest in majoring in Secondary Education and becoming a high school English teacher after graduate school.

THS DECA IN-HOUSE BUSINESS COMPETITION

It was a great night for Tolland High School DECA! On Tuesday, February 27, THS DECA hosted its first in-house business competition to help prepare students to successfully compete at the Connecticut DECA state competition on Tuesday March 6th. Students, Emily Bliss and Allyse Ernest (co-chairs of the event), did an incredible job planning and organizing the event to simulate the state competitive environment.

Students had 15 minutes to review a business case scenario, plan their strategy, and then step in front of a judge to pitch their creative ideas to solve the problem at hand. Over 60 students participated in 8 different categories with 9 area business professionals acting as the judges. Congratulations to our winners:
