

# **Child's Play**

## **Why Unstructured, Creative Play is Necessary for Later Success**

A Seminar for Parents and Early Childhood Educators  
by the Tolland Family Resource Center

“Children learn as they play.  
Most importantly, in play children learn how to learn”  
-O. Fred. Donaldson

**Monday, November 6, 2017**  
**Birch Grove Primary School**  
**6-8 pm**

Please join Jodie Sprague, early childhood education specialist, in a lively hands-on demonstration and discussion about the importance of play and the impact on children's later social, emotional and academic proficiency

Learn:

- Research behind play
- Types of play and how each may lead to different outcomes
- Effective toy selection
- Ways to extend and facilitate play in children
