**Subject:** Asbestos Management Plan – **Temporary Modulars #1 and #3-9**  
*Birch Grove Primary School, 247 Rhodes Road, Tolland, CT.*

The Connecticut Department of Public Health (DPH) has reviewed the AMP submitted by Jared Smith on September 18, 2019, as required by 40 C.F.R. Part 763, the "Asbestos Hazard Emergency Response Act" (AHERA) regulation and the Regulations of Connecticut State Agencies, Sections 19a-333-1 through 13, "Asbestos- Containing Materials in Schools" regulation.

The AMP appears to be complete and in conformation with the submission requirements.

Please retain a copy of this approval letter in the school's management plan as there must be a complete, up to date management plan in the school office. Please feel free to contact this office should you have any questions regarding this correspondence or asbestos management in schools.
